

Dear Industry Partner,

On behalf of the Kansas Chapter of the American College of Cardiology, I invite you to support the 5th Annual Cardiovascular Symposium through an educational grant and/or exhibitor display table. The presenters are leaders in the cardiology realm and will offer real world topics to conference attendees. Attendees include cardiologists, primary care physicians, fellows in training, nurses, nurse practitioners and physician assistants from surrounding areas.

At the completion of this event, participants should be able to Demonstrate the latest therapies for hypertension, apply advances in monitoring of heart failure patients, identify important prognostics and therapeutic factors in the management of congenital heart disease, detail the latest trends in clinical Cardiology, interpret image studies for patient diagnosis and therapy and describe diagnosis, management and surgical treatment options for valvular heart disease.

In addition to providing continuing education for physicians and nurses (CME, CE and CNE), the symposium also hosts an exhibition that affords attendees the opportunity to network with representatives from external agencies and facilities that provide resources, services and products critical to their roles in patient care. In accordance with ACCME guidelines, exhibits will be placed outside of the meeting room or in a separate area. This event's exhibition and marketing opportunities are open to a variety of commercial supporters (e.g. companies).

To confirm your company's participation:

- **Educational Grant:** Please contact Seth Wilson via phone, 877-954-7008, to discuss grants
- **Display Table in Exhibition Area:** Please complete the online exhibitor registration at: <http://www.ksaccsymposium.com>.

Your booth is not confirmed until you complete the online registration form. Credit card and check payments accepted. Our Federal Tax ID is 48-1237628 and a W-9 is available upon request. NOTE: your company will not be assigned a table, listed in event materials, or receive the pre-conference directory if applicable until full payment has been received.

Please visit the conference website at <http://www.ksaccsymposium.com/>
